HIKE SCHEDULE - FALL 2017

SATURDAY, SEP 2 (LABOR DAY WEEKEND)

BRP – GRANDFATHER MOUNTAIN - FALL ON THE TANAWHA TRAIL - A SHUTTLE HIKE

Start Time: 7:30 AM

This 13.5 mile trail paralleling the Blue Ridge Parkway offers a little bit of everything! Despite the lack of big time elevation gain, you'll still get a workout on the first half of the trail navigating over rocks, roots and ruts (so hiking poles are recommended!). However, your workout will be rewarded with stunning long views at Beacon Heights Overlook and Rough Ridge (or, in case of fog, with a surreal landscape of fog and beautiful rocks). Although there are only 2 areas with "big" views, the Trail itself is one of the most beautiful ones on which I've ever been with gigantic moss-covered boulders, multiple (bridged) creek crossings, flowers, etc. About 1.5 miles into the Trail it runs right by the Linn Cove Viaduct Visitor's Center, where we may stop for a short break. After this, you will get the unique experience of walking under the Linn Cove Viaduct itself as the Trail heads upward and level with/above the road itself as we head up to Rough Ridge. After stopping there to take in the views and have lunch, the trail levels out and narrows into a "single track" one high on the hillside above the BRP and this will lead us across several beautiful bridges and through many Rhododendron tunnels. Around the 10 mile mark, the Trail goes through several pastures where we will be sure to see cattle (that's no bull!) and enjoy some pretty views of meadows in this area. The Trail ends in Price Lake Campground. We will then take a short section (about 1/2 mile) of the Boone Fork Trail over to Price Lake Picnic Area where most of the cars will be left.

This hike will require a shuttle. Also, if someone wishes to do a shorter version of this Trail, one can leave their car at Rough Ridge or several other parking lots along the way to which there are spur trails from the Tanawha Trail.

MONDAY, SEP 4 (LABOR DAY)**LONG PROGRAM HIKE - OPEN****FRIDAY-SUNDAY, SEP 8-10****GRANDFATHER MTN – CAMPOUT & HIKES**

We are looking forward to a great trip to one of the most beautiful mountains in the southeast with spectacular views. This is a truly unique experience and a hike you will never forget! You will need hiking gear for the hike up Grandfather Mountain on Saturday. This is an arduous hike and should not be attempted by a beginner or anyone with any physical limitations. You will need sturdy hiking boots and lots of food and water for the hike. You will be climbing rocks and ladders at high elevation so it is not suitable for anyone who is afraid of heights.

At 5,946 feet (1,812 m), Grandfather Mountain is the highest peak on the eastern escarpment of the Blue Ridge Mountains. We will hike the Profile, Calloway and Grandfather trails. There is rock scrambling over alpine-like summits with cable assists and ladders over small cliff faces. We will hike to the mile-high swinging bridge to the top of the mountain (ice cream! and whatever else you want to purchase) and return the same way.

Check out the info about the mountain and download a hiking map at grandfather.com.

We will meet at the trailhead on HWY 105 at 845am where we will need to sign in. This hike will take all day and return at approx. 5pm.

SATURDAY, SEP 9**MT. MITCHELL, NC - THE DEATH MARCH - BLACK MTN CREST & BOWLENS CREEK TO THE MT. MITCHELL SUMMIT - A SHUTTLE HIKE****Start Time: 5:00 AM. Must contact the leader for clearance to hike.**

There's the hard way to ascend Mt. Mitchell, and then there's the really hard way to ascend Mt. Mitchell. If the challenge of the Mt. Mitchell Trail isn't enough for you, then tackle the Black Mountain Crest Trail. Oh by the way, you'll also cross five peaks over 6,000 feet, including the 2nd tallest mountain in the east, Mt. Craig. Lovingly nicknamed the "Death March" by North Carolinians, this hike may be the toughest you'll encounter in NC for the distance covered. The crest trail may be beautiful and a peakbagger's dream, but do not underestimate the difficulty of tackling this from the northern trailhead at Bowlens Creek.

You'll begin the hike with a lung-busting ascent of 3,000 feet in 4 miles to the shoulder of Celo Knob. The trail will ease up for 1.5 miles as you get big views from the ridgeline before beginning its rollercoaster journey along the Central Blacks for the last 6 miles. While there aren't any big climbs on the latter half of the trip, the crest trail plows straight up and down into narrow gaps hundreds of feet below the peaks. The trail is rocky, eroded, and always tricky footing. The hike described here is a shuttle in the most difficult direction. If you start at Mt. Mitchell the elevation gain is <3,000 feet.

TABLE ROCK SP - TABLE ROCK MTN**Start Time: 8:00 AM**

Hike the Table Rock Trail up and back. Have lunch at the reservoir overlook.

The red blazed, 3.6-mile Table Rock Trail is a very rugged hike within the scenic and popular Table Rock State Park in the northwest corner of South Carolina. There are over 12 miles of trails in the park, but only the Table Rock National Recreation Trail ascends 2,000 feet to the summit of the imposing granite dome, Table Rock Mountain (3,124 feet). The hike begins at the Nature Center and ascends steeply through an open forest strewn with boulders. Along the way, you will see vegetation typical of the Southern Appalachians: dominant oak and hickory trees with scattered pines and hemlock. As you might guess, this strenuous hike offers the reward of spectacular views from the higher rock outcrops.

Come out and join all of your hiking peeps for a festive "Feliz Navidad" at the Landmark Hall, 156 Landmark Drive, Taylors, SC. Again this year our favorite DJ, John Johnson, will be playing your favorite Christmas, R&B, and top 40 songs along with leading line dances. After last year, one must ask, can Angie Peloquin come up with another group game to top all games? Some folks may wish to play the dice game: LCR; so bring at least three \$1 dollar bills. We hope some members will take the microphone and sing a Christmas Karaoke song or tell a hiking story. This is a "can't miss" club social.

Dinner is Pot Luck. We invite all to bring a dish to share. We will start serving dinner around 6:00 PM. Club will provide tea and coffee. Please feel free to bring your own adult beverages.

Cost: \$10.00 per adult (pay at the door).
